FIELD ENGINEERING RATES

ROLAND ENGINEERING Service rates are on an hourly basis. Automobile travel charges are computed by total mileage driven. Airline travel rates are hourly based upon travel time, portal to portal, plus round trip ticket cost. Car rental charge is actual or estimated cost. A daily per diem charge will be applied for each overnight lodging requirement. Additional expenses are at actual cost.

	<u>DOMESTIC</u>	<u>INTERNATIONAL</u>
SERVICE LABOR	\$ 170.00 / Hour	200.00 / Hour
SERVICE LABOR (contract)	\$ 150.00 / Hour	N/A
SHOP LABOR	\$ 85.00 / Hour	N/A
TRAVEL LABOR	\$ 150.00 / Hour	200.00 / Hour
TRAVEL LABOR (contract)	\$ 150.00 / Hour	N/A
PER DIEM	\$ 150.00 / Day	200.00 / Day
AUTOMOBILE TRAVEL	\$ 2.00 / Mile	
Transportation by airline/rental car	Actual Cost	

Invoices for services rendered are issued after each service visit. Contract customers will receive balance statements. Any parts supplied by Roland Engineering or any additional service expenses encountered will be billed at current list price on the same invoice or balance sheet.

Labor and travel rates on weekends and holidays will be calculated at 1 1/2 times normal rates except for contract customers, who will be charged the normal, non-discounted labor rate. Technical assistance is free, within reason.

TERMS

NET 30 DAYS from date of invoice. Accounts delinquent after 60 days.

RATES EFFECTIVE AUG. 1, 2008
